Seeking more flexibility in your health plan?

If you're looking for choice and convenience, we've got a solution – our Added Choice® point-of-service (POS) plan. As an Added Choice member, you have access to all that Kaiser Permanente offers, plus the option to seek covered services from licensed providers across the country.

Available providers

Added Choice offers 3 levels of coverage. The choices you make determine which doctors you see, which medical facilities you use, and how much you pay.

SELECT PROVIDERS ¹ \$	PPO PROVIDERS ¹ \$\$	NONPARTICIPATING PROVIDERS ¹ \$\$\$
Choose a provider from Kaiser Permanente or direct contract providers, like The Portland Clinic. ² With a referral, members can also choose other contracted community providers and facilities. You will typically have the lowest out-of-pocket costs when you receive services from select providers.	Choose a preferred provider (PPO) from First Choice Health or First Health Network. ³ This is a good choice for those who want to keep their current PPO provider or who live outside our service area.	Choose a nonparticipating provider nationwide. Nonparticipating providers include any licensed providers who are not select providers or PPO providers. You will typically have the highest out-of-pocket costs when you receive services from nonparticipating providers.

¹See your *Evidence of Coverage (EOC)* or visit kp.org/addedchoice/nw for definitions of select provider, PPO provider, and nonparticipating provider. This brochure is not a contract. Plan details are provided in the *EOC*. To obtain an *EOC* for a particular plan, contact Customer Service. In the event of any conflict between this brochure and the *EOC*, the *EOC* prevails.

²The Portland Clinic is not available as an in-network provider to members on Medicaid, receiving full Medical Financial Assistance from Kaiser Permanente, or visiting from another Kaiser Permanente region.

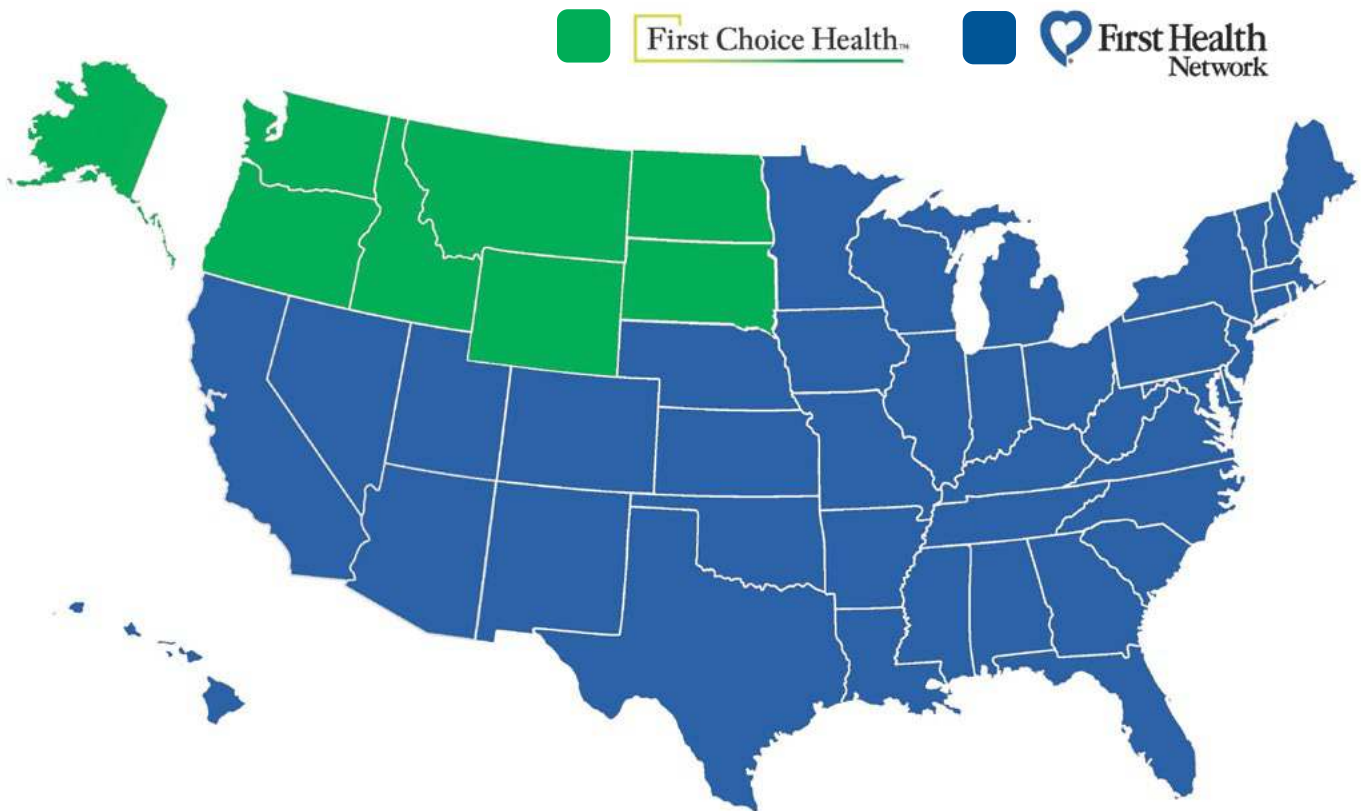

³For members receiving care outside of Oregon, Washington, Idaho, Montana, Wyoming, North Dakota, South Dakota, and Alaska.
